

President's Awards

The Vascular Disease Foundation's President's Awards are to recognize those individuals who have made a difference for those living with vascular disease or have assisted the Foundation in accomplishing its mission in various categories.

These awards also show our appreciation for the extraordinary measures individuals have taken to support the Foundation's efforts to increase awareness of vascular disease and enhance the lives of those living with vascular disease.

Award Categories:

- President's Award for Inspiration:** An award to recognize those individuals who provide hope or inspiration to individuals and their families living with vascular disease.
- President's Award for Leadership:** Recognizing those volunteers who demonstrate leadership, initiative, creativity and dedication to VDF's mission.
- President's Award for Partnership:** Recognizing those organizations who work collaboratively with VDF to support our mission of reducing death and disability from vascular disease.
- President's Award for Vision:** Recognizing those individuals committed to supporting the advancement of vascular disease awareness, research or education.

Nomination Criteria:

Please describe in 450 words or less why this nominee is eligible for a given award category. Using the form on the back, provide a description of this nominee's qualifications, accomplishments or other achievements that make him/her eligible. *Please note, the nomination committee may select an award different from the one selected.*

Please submit nominations for the 2012 award no later than July 27, 2012 to:
